COMPANY PROFILE

Livlite Industries Pvt. Ltd. - Redefining FMCG Standards in India the ever- evolving world of Fast-Moving Consumer Goods (FMCG), Livlite Industries Pvt. Ltd. is emerging as a name synonymous with quality, innovation, and sustainability. Headquartered in India, Livlite is steadily building a strong national presence with its portfolio of international-standard products and consumer-centric approach. With five distinctive brands under its umbrella DishBrite, HeloClean, Glow'n'Shin, DustOut, and Arle Livlite caters to a wide spectrum of needs across home care, personal care, and kitchen care categories. Each product is developed with a sharp focus on technology, hygiene, and eco-friendliness, making them not only effective but also safe for both users and the environment. What sets Livlite apart is its dual approach to the market. While the company continues to strengthen its branded product line for retail consumers, This unique model reflects Livlite's philosophy of collaboration and inclusivity in business. Backed by a robust pan-India distribution network and an experienced management team, Livlite ensures seamless supply and service to customers across the country. As part of its future-forward strategy, the company is now venturing into the e-commerce space, aiming to expand its digital footprint and make its products more accessible than ever. Livlite Industries is driven by a vision to reach global benchmarks in quality while maintaining the affordability and reliability that Indian consumers value. With an unwavering commitment to "value-for-money" products and long-term partnerships, the company is poised to make a lasting impact - not just in India, but on the global stage.

DIRECTOR'S MESSAGES

It gives me great pride and joy to introduce Livlite Industries Pvt. Ltd. We are more than just a company in the FMCG (Fast-Moving Consumer Goods) sector-we aim to be a trusted part of your everyday life by offering quality, value, and reliability. From personal care to kitchen and household products, everything we make is designed with care, innovation, and a strong focus on quality. We don't just make products-we build brands you can trust.

Over the years, we've grown from producing simple items to developing smart, modern solutions. Thanks to strong partnerships with global industry leaders-especially in smart home cleaning and natural cellulose-we've been able to expand our reach and improve our offerings.

Our success comes from our hardworking team, strong partnerships, and most importantly, the trust of our customers. Your support pushes us to do better every day. Looking ahead, we will keep focusing on innovation, sustainability, and putting our customers first. We welcome partnerships with those who share our values and are committed to excellence.
