C&F Enterprise Sdn Bhd was first started as a small popcorn maker operated in a small shop lot in 1977.

The founder started as a pioneer in snack food maker with small scale production line earlier, it gradually turns into this sizeable manufacturer over the few decades.

“**VISION**
WORLD'S
TOP SNACK
BRAND”

From popcorn to extrusion snacks, crackers, then expand it's manufacturing into potato chips and rice crackers.

C&F group carries a wide range of products and is able to market these products not only in Malaysia also to overseas market and was awarded as Top 100 SME Fast Moving Companies in Malaysia in Year 2014.

OUR BELIEVES

The key success in today's achievements credit to our pioneer with their foresight, then further cultivated with professional management concepts and practices that synced into C&F's operation holistically.

The management believes by continuing strike for improvements in product quality, branding and prompt in execution of plan helps in propel the brand and products to greater heights. We commit to produce snack food that is always the first choice to many people.
