About Us

Discover tranquility within nature

Located in the quiet area of Sekupang, KTM Resort is an ideal destination for those seeking comfort and tranquility. Founded by Mr. Koh Tiat Meng, this resort has been an icon in Batam for more than 20 years, offering a holiday experience that combines tropical natural beauty with modern facilities. Built with the vision of creating a harmonious beachside retreat, KTM Resort offers spectacular views of the clear blue sea and architecture inspired by a traditional yet luxurious style. In addition, its strategic location makes it easy to access from the port and city center.

With two decades of experience, KTM Resort is committed to providing the best service, making it the top choice for family vacations, couples or business events.

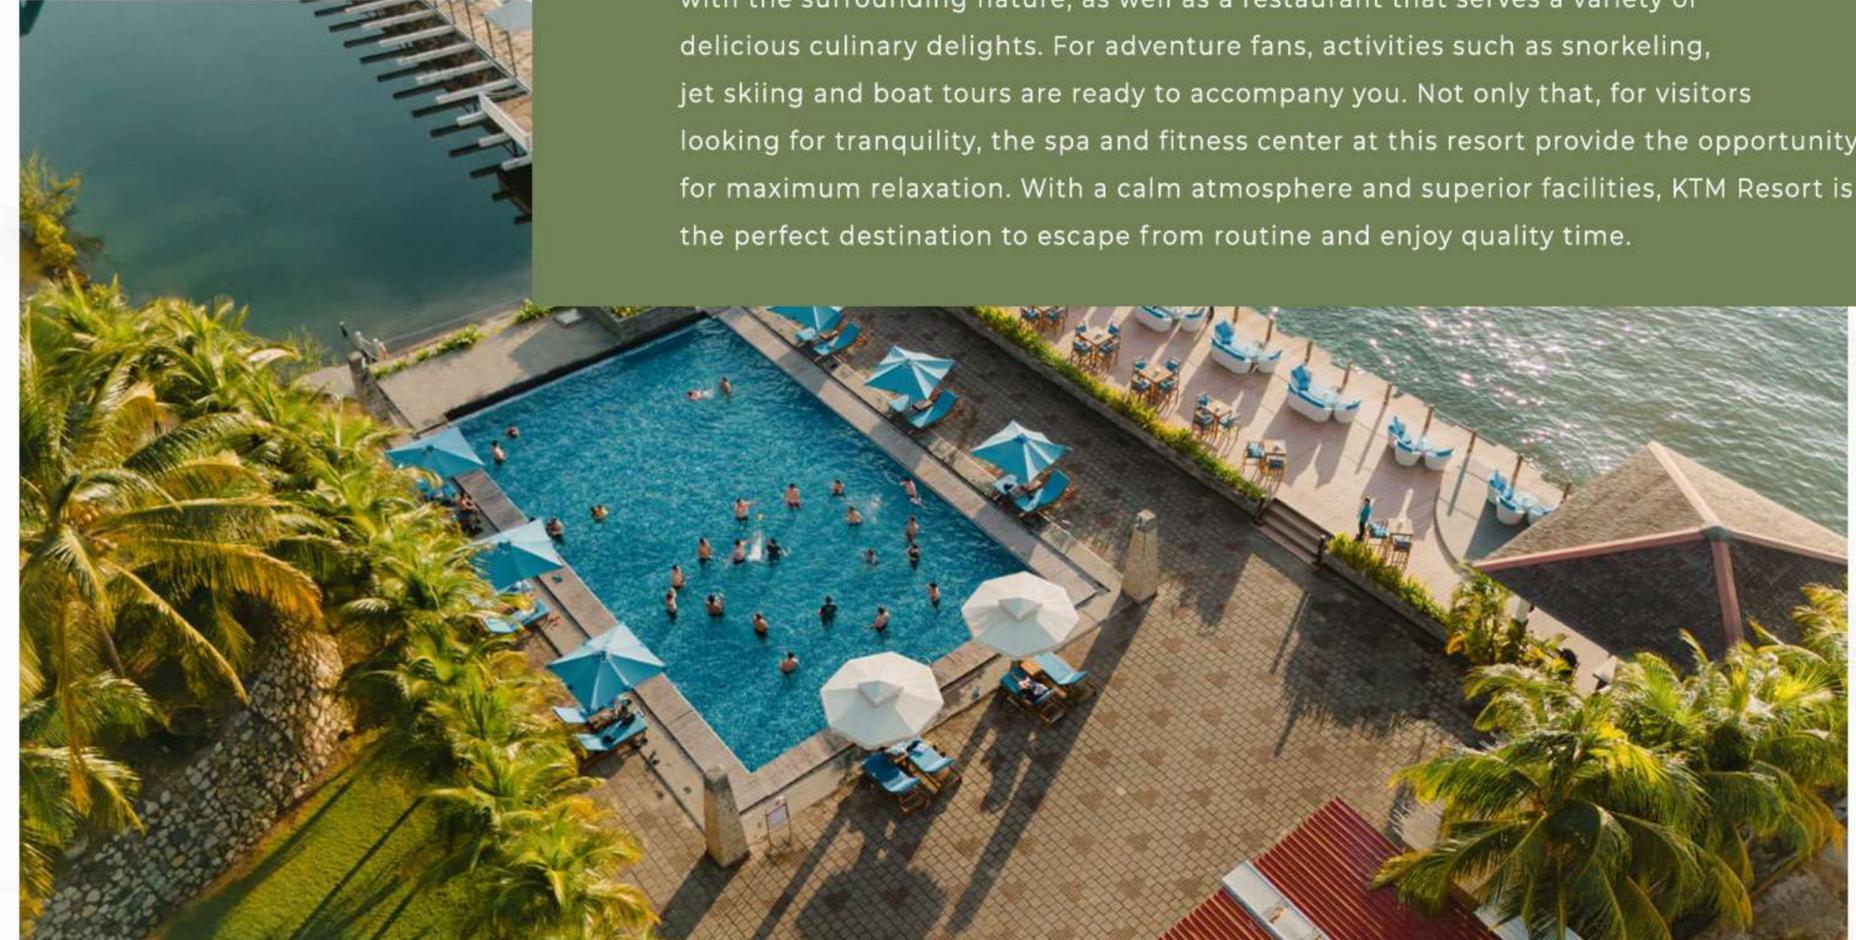

KTM Resort Batam is located in Sekupang in the Batam region, 900 metres from Sekupang International Ferry Terminal. The resort has a barbeque and watersports facilities, and guest can enjoy a meal at the restaurant or a drink at the bar. Free Wi-Fi is available throughout the property and free private parking is available on site.

Each room at this resort is air conditioned and comes with a flat - screen TV. Certain units a seating area for your convenience. A balcony or patio are featured in certain rooms. Rooms are fitted with a private bathroom fitted with a shower. For your comfort, you will find slippers and free toiletries

This KTM Resort offers stunning sea views and calming fresh air. Known for the best service,

Located on the beach, KTM Resort offers stunning sea views and relaxing fresh air. Known for the best service, KTM Resort provides various activities for all ages, from nature tourism, water sports, to fun family events.

Our resort is also equipped with comfortable and elegant villas, blending with the surrounding nature, as well as a restaurant that serves a variety of delicious culinary delights. For adventure fans, activities such as snorkeling, jet skiing and boat tours are ready to accompany you. Not only that, for visitors looking for tranquility, the spa and fitness center at this resort provide the opportunity for maximum relaxation. With a calm atmosphere and superior facilities, KTM Resort is the perfect destination to escape from routine and enjoy quality time.

Lodging Facilities

All the villas and rooms are constructed using legally sourced Indonesian wood from throughout the peninsula island. The wood is coated with a protective layer of paint to preserve its natural and rustic appearance. Keeping our founder's mission in mind, the structures are built in harmony with the natural landscape, with minimal alteration to the original contour of the land.
