şirket profili

Misyonumuz;

Tekniktel Aksesuar olarak, ihtiyaca uygun çözümler sunmak, tecrübelerimizi sizlerle paylaşmak, kanunlara ve yönetmeliklere uygun davranarak çevreye duyarlı, güvenli çalışma ortamları oluşturmak doğayı korumak, tüm bu amaçlar çevresinde yaptığımız işin sorumluluğunu alarak hızlı ve doğru projeler üretmek ve gerçekleştirmektir.

Perakendecilik, mobilya, mutfak, banyo ve diğer aksesuarları konusunda her biri lider konumda olan kurumsal müşterilerine faaliyet gösteren firmamız, deneyimli kadrosu ve kaliteli üretimi ile sorunlarınıza, uygun bütçelerle ideal ürünler üretmeyi projelendirmeyi misyon olarak benimsemiştir.

Vizyonumuz;

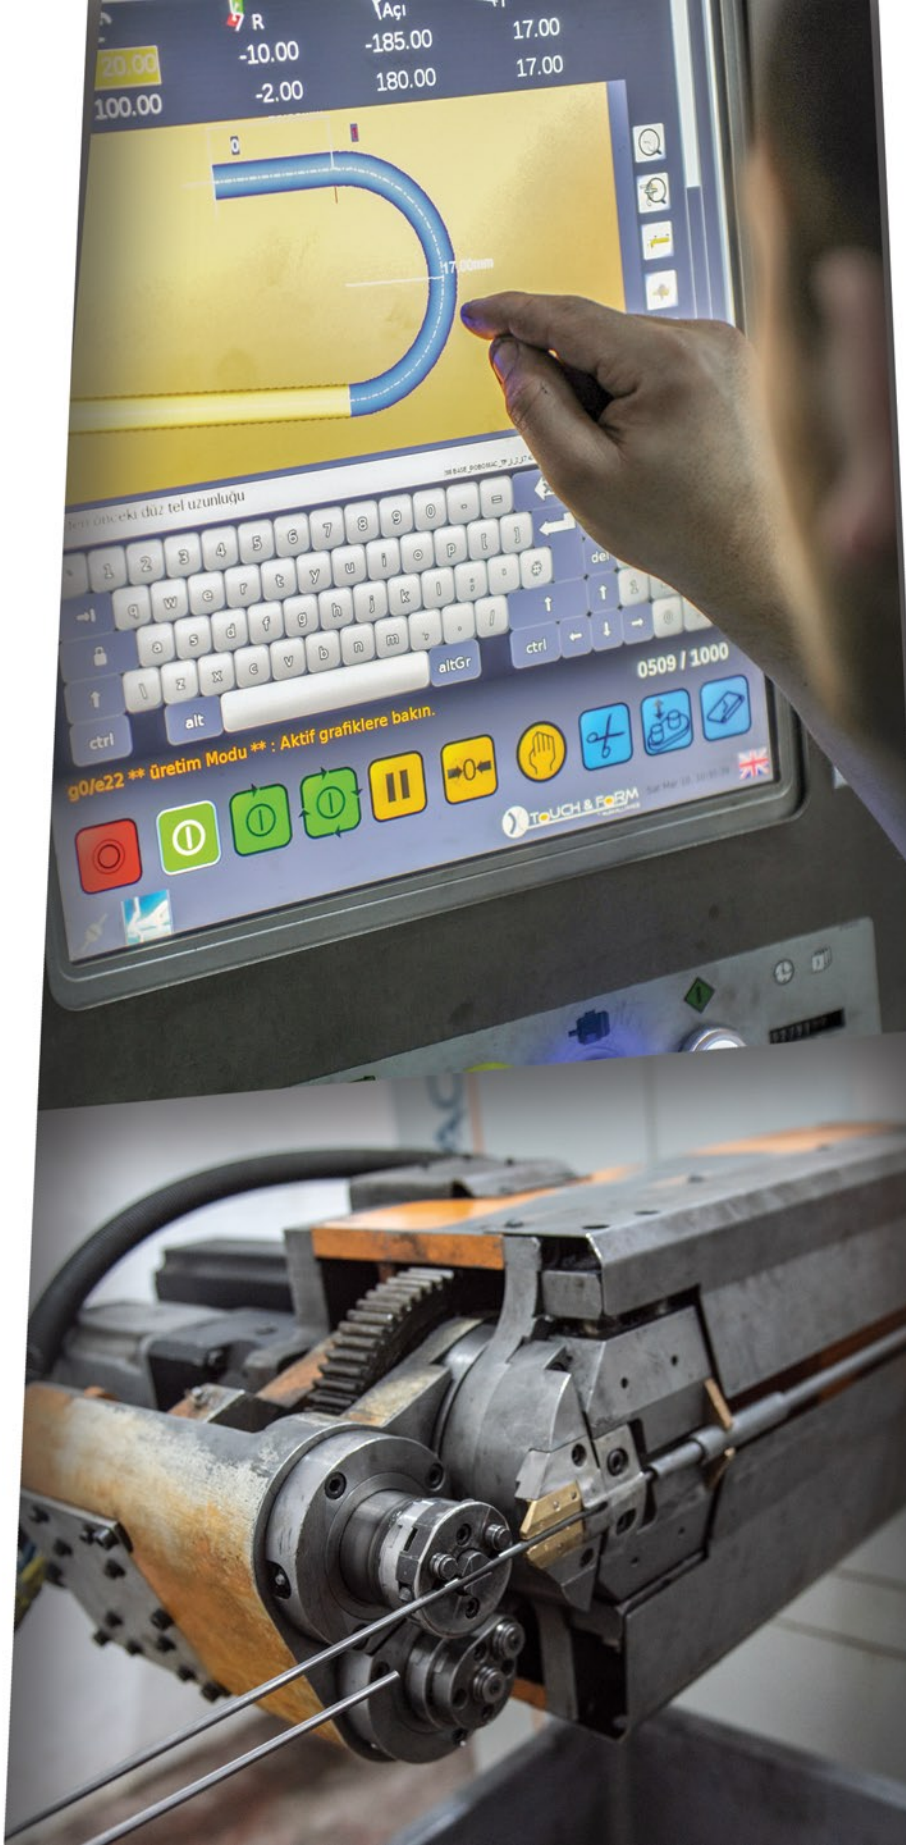

Tekniktel Aksesuar ulusal ve uluslararası sektörde sürdürülebilir kalkınmayı ve kaliteyi ilke edinen öncü bir firma olarak, faaliyetlerinde insana ve çevreye duyarlı projelerle müşteri memnuniyetini sağlamayı ilke edinmiştir. Değişen, gelişen şehir yaşamının gereksinimlerini karşılamak, çalışma ve yaşam alanlarını estetik gereksinimler doğrultusunda korunaklı hale getirmek için, müşteri isteklerini deneyimlerimizle birleştirip hayal edilen tasarımları gerçekleştirerek daha güzel bir çevre için hizmet vermekteyiz.

Kalite Politikamız;

Tekniktel Aksesuar olarak, kalite politikamız kapsamında, doğruluk, güven, eşitlik, tarafsızlık ve gizlilik ilkelerini bir arada barındıran kalite politikamız, müşterilerimizin memnuniyeti doğrultusundadır.

İlkelerimiz;

- Güvenilirlik,
- Müşteri memnuniyeti,
- Sıfır hata sürdürülebilir kalkınma,
- Sağlık, emniyet, çevre konularına odaklılık,
- Kanunlara ve yönetmeliklere bağlılıktır.

company profile

Mission;

To provide appropriate solutions by using our experience and know how together and to create environmentally sensitive and safe working environments by acting in compliance with laws and regulations.

Tekniktel operates in retailing, furniture, kitchen, bathroom and other accessories which have a mission to design and produce useful products with appropriate budget and quality.

Vision;

Tekniktel is a leading company that adopts the principle of sustainable development and quality in the national and international sector and has adopted the principle of providing customer satisfaction with projects that are sensitive to human and environment.

In order to meet the needs of changing and developing city life, we provide services for a better environment by combining the demands of our customers with our experiences.

Our Principles;

Our quality is based on the customer satisfaction which includes the principles of integrity, trust, equity and confidentiality within the scope of our quality policy.

Our Values;

- Reliability
- Customer Satisfaction
- Zero-error sustainable development
- Focus on health, safety and environment
- Commitment to laws and regulations
