# OUR STORY

We are the renowned Manufacturer and Supplier of flawless quality array of “Food Packaging Products”. These products are acknowledged for sturdiness and high durability.

Navin Plast incorporated in the year 2008, at Mumbai (Maharashtra, India). We are known as the prominent Manufacturer and Supplier of a comprehensive assortment of Bakery Products, Fruit Containers, Mousse Containers, Wine Glasses and Plastic Cups & Glasses. These products are designed with high precision and manufactured using premium quality raw material and advanced technology in adherence to global quality norms. Our offered products are widely acknowledged among our prestigious clients due to their dimensional accuracy, robust design, sturdiness, crack resistance and high durability. Furthermore, we offer these products to our esteemed clients in various customized options at affordable prices.

We are supported with advanced infrastructural base that is responsible for tremendous success in this sector. This infrastructural base facilitates our adroit team members to manufacture our complete assortment as per the defined global quality norms.

In addition to this, we have segregated our infrastructure into various units such as procurement, production, quality testing, and warehousing & packaging. All these units are operated by our highly skilled professionals, who hold rich industrial experience and knowledge. Our professionals work in close coordination in order to understand the specific requirements of clients. In our quality testing unit, we stringently inspect each and every product in compliance with the set international quality parameters in order to offer a perfect range at the clients' end.
