BUI ANH HAI

JUST CALL ME HAI

ABOUT ME

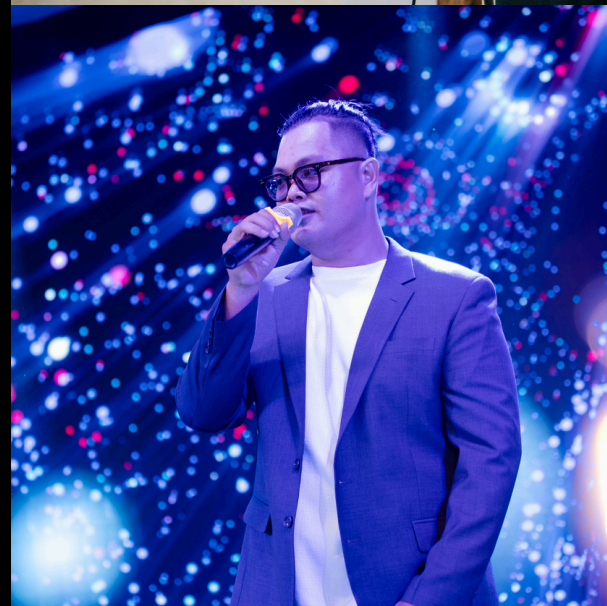

I am a singer/songwriter. I began my passion 10 years ago. I have a lot of experience performing, from bar stages to outdoor shows in front of tens of thousands of people. I specialize in covering COUNTRY/ROCK/POP songs in English and Vietnamese. I can play guitar while singing, or perform together with my band. My strength is understanding the audience's needs and knowing what they want to hear. I also have very good interaction skills with them.
