INTRODUCTION

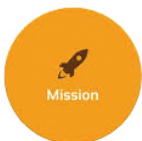

CODE construction was founded to cater the needs of the growing industrial construction market and its related works across Kingdom of Saudi Arabia.

CODE has been contracted to perform various Engineering, Construction and Maintenance works by giant manufacturing firms who demands quick mobilization and punctual schedule of work's completion and known for its reliability and punctuality in delivering the services.

CODE is set to provide its Industrial customers on one-stand premium solution for all their Engineering, Construction, and Maintenance Projects with uncompromising Quality.

The Company strives to conduct its business Fairly & Honestly and with Consideration to the Long Term needs of all its Stake Holder, Clients, Employees, Sub-Contractor, Supplies and Service Providers.

OUR MISSION

As a professional Team to create great value for our clients by fully complying and implementing the principles of Quality and Safety.

To Foster a work Environment that Encourage new Ideas, New Invention and Growth which finally leads to the realization of the desired goals as well as reinforcing of business relation.

OUR VISION

Focus on Execution in the construction industry every day, Act with urgency, Remain positive to change, Reward our People for taking risks and finding better ways to solve the problems. Learn from our outcomes- what worked and what didn't.
