FROM SPAIN · MONSÉRAN. THE NEW "CLASSICO" WINE

“With everything we do in Spain, we believe in thinking outside the box.” Castillo de Monseran comes from the DO Carinena region and accounts for more than half of the DO Carinena label’s production, which helps to affirm its quality with top consistency. The brand combines Spanish tradition with a modern image that stands out on any wine shelf. The quality and value of this winery have been affirmed by magazines such as Wine Enthusiast and Wine Spectator. With the largest number of old vines in the region, Castillo de Monseran wants to tell a story about the special soil and the typical grape variety here - Garnacha (Grenache).
