FROZEN FRUITS

Produced mainly by continuous movement during the freezing process. A fast freezing time is essential in this process to retain an optimal quality. Fruit remains in it's individual form. The cell structure is preserved, less leakage. The smell and taste remains optimal.

Item Code	Photo	Item Description	Packing
FG170697		**Strawberry Fruits**	**2.5 kg** per packet **4 packets** per case
FG170698		**Raspberry Heritage Fruits** *Raspberry Heritage has a more pointed and bigger fruit and is also suitable as a topping.*	**2.5 kg** per packet **4 packets** per case
