SAMA ALBALOOSHI

Network Engineering Student

Phone: (+973) 33116917

Email: balooshisama2203@gmail.com

LinkedIn: https://www.linkedin.com/in/sama-albalooshi

Summary

➢ Network Engineering student with a foundation in higher-level programming languages (Python and Java), scripting languages (HTML, CSS, and PHP), as well as DBMS languages (SQL).

➢ Foundational understanding of network fundamentals (Network protocols, IP addressing, VLANs, Network topologies) and experience working on networking-related projects involving network monitoring, cellular network concepts, and client/server communication systems.

Education

SEPTEMBER 2021 - PRESENT

College of IT, University of Bahrain – *B.Sc. in Network Engineering*

➢ **Notable courses:** Network Administration and Management, Network Programming, Network Engineering and Design, Database Management Systems, Internet Software Development, Network Security I & II, IT Project Management, and Network Operating Systems.

➢ **Notable course projects:**
  ○ **Poll-making website** with user database and functional sessions using PHP, HTML, CSS, SQL, and Javascript.
  ○ **Relational database** using MySQL.
  ○ **Library registration and borrowing system** using Java data structures.
  ○ **Multi-threaded News Client/Server Information system** using Python and GIT.

Hard Skills

➢ **Programming** in Python, Java, PHP, and MATLAB

➢ **Scripting** in HTML, CSS

➢ **Project Management**

➢ **Database Management** using MySQL

➢ **Proficiency in GIT**

➢ **Professional presentational** skills

➢ **Proficiency in Report Writing**

Soft Skills

➢ **Ability to collaborate**

➢ **Organizing** schedules and ideas

➢ **Problem-solving** skills

➢ **Stress Management** – working under pressure

➢ **Planning** ahead of time

➢ **Adaptability** to changes

➢ **Communication** to establish teamwork

Professional Certifications

DATE ISSUED: 05/02/2021

CMI Level 3 Certificate in Principles of Management and Leadership - CMI

➢ **Units covered:**
  ○ Principles of Communication in the Workplace
  ○ Managing Data and Information
  ○ Presenting for Success

○   Managing Own Personal and Professional Development

DATE ISSUED: 15/07/2024

Microsoft Certified: Power Platform Developer Associate

- ➢ **Units covered:**
  - ○ Creating technical designs
  - ○ Building Power Platform solutions
  - ○ Implementing Power Apps improvements
  - ○ Extending the user experience
  - ○ Extending the platform
  - ○ Developing integrations

DATE ISSUED: 22/02/2025

Cisco Certified: Network Associate

- ➢ **Units covered:**
  - ○ Network Fundamentals
  - ○ Network Access
  - ○ IP connectivity
  - ○ IP Services
  - ○ Security Fundamentals
  - ○ Automation and Programmability

Experience

JUNE 2021 - SEPTEMBER 2021

CPISP: Crown Prince's International Scholarship Program:

- ➢ Training program that covered training offered by CMI in the principles of management, presentation, leadership, and starting a professional development journey.

JULY 2024

Soft Skills Training:

- ➢ Completed a 2-day training course on soft skills and cultivating a professional and concise portfolio as a student. Involved many group-based activities and lessons in marketing oneself as an IT professional.
